ALLEGHENY COUNTY HOUSING AUTHORITY ADMISSIONS AND CONTINUED OCCUPANCY POLICY

The U.S. Department of Housing and Urban Development (HUD) has established certain regulatory requirements applicable to Low Income Housing, that are generally set forth in Title 24 of the Code of Federal Regulations (24 CFR), Parts 5, 8, 100, 290, 401, 402, 880, 886, 960 965 and 966. If there is any conflict between HUD's regulations and this policy, the HUD regulations will govern. In addition to Low Rent Public Housing, certain sections of this policy apply to other types of low-income housing owned, managed or developed by the Housing Authority (hereafter ACHA) such as HUD multifamily housing, project-based Section 8 housing, project-based voucher housing and Low-Income Housing Tax Credit units. When Federal guidance is inconsistent, statute shall take highest priority, regulations second priority, handbooks third priority and other HUD guidance last priority.

Included in this document is wording that was part of the Housing Opportunities Through Modernization Act (HOTMA) for which HUD has not yet issued the requisite guidance. These sections of the ACOP will not be implemented until authorized by HUD, which includes replacing the current PIC system and the 50058 form.

Besides being ACHA's Admissions and Continued Occupancy Policy, this is the Tenant Selection Plan for multifamily housing and Low- Income Housing Tax Credit properties owned by ACHA or its instrumentality, if any.

In its management of the multifamily project-based Section 8 housing that ACHA owns, it will comply with HUD's regulations and guidance governing such housing. If HUD's regulations and guidance for multifamily housing conflict with those governing the management of public housing ACHA will comply with the HUD rules applicable to the type of housing owned and managed. ACHA's staff are aware of which of its properties and units are public housing, multifamily housing and project-based voucher housing and, consequently, which rules and guidance apply.

This policy references certain procedures (shown in *italic type*), that describe in detail how the policy is to be carried out by staff. The procedures are extensions of the policy document referenced. All procedures are public documents and are available for review upon request.

In every case, the term "family" includes families that are just a single individual.

I. Nondiscrimination

A. Complying with Civil Rights Laws

1. Civil rights laws protect the rights of applicants and residents to equal treatment by the Housing Authority in operating its programs. It is the policy of the Allegheny County Housing Authority (ACHA) to comply with all Civil Rights laws now in effect and subsequently enacted, including but not limited to:
 - a. Title VI of the Civil Rights Act of 1964, which forbids discrimination on the basis of race, color, religion, national origin or sex; **24 CFR §§ 1 and 100**
 - b. Title VIII of the Civil Rights Act of 1968 (as amended by the 1974 HCDA and the Fair Housing Amendments Act of 1988), which extends protection against discrimination based on disability and familial status, and spells out forms of prohibited discrimination; **24 CFR § 100**
 - c. Executive Order 11063,

- d. Section 504 of the Rehabilitation Act of 1973, which describes specific housing rights of persons with disabilities; **24 CFR § 8**
 - e. Age Discrimination Act of 1975, which establishes certain rights of the elderly; **24 CFR § 146**
 - f. Title II of the Americans with Disabilities Act, otherwise Section 504 and the Fair Housing Amendments govern (Title II deals with common areas and public space, not living units, which are covered by Section 504.)
 - g. Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity
 - h. Any applicable State laws or local ordinances.
2. ACHA shall not discriminate because of race, color, national origin, sex, religion, familial status, disability, sexual orientation or gender identity in the leasing, rental, occupancy, use, or other disposition of housing or related facilities, including land, that is part of a development under the ACHA's jurisdiction covered by a public housing Annual Contributions Contract with HUD. **24 CFR § 100**
 3. ACHA shall not deny admission to otherwise qualified applicants because of their membership in some group to which negative behavior may be imputed (e.g., families with children born to unmarried parents). Instead, each applicant who is a member of a particular group will be treated as an individual based on his or her history and behavior. **24 CFR § 960.203(a)**
 4. ACHA will work continuously to affirmatively further fair housing and to remove impediments to housing choice by members of protected classes.
 5. ACHA will offer units only in the order prescribed by this policy, since any other method violates the rights of applicants.

B. Reasonable Accommodations

1. ACHA, as a public agency that provides affordable housing to eligible families, has a legal obligation to provide "unit modifications" and "reasonable accommodations" to applicants and residents if they or any family members have a disability. **24 CFR § 8.4**
2. A unit modification is some adaptation or change ACHA can make to its apartments, buildings, or sites. A reasonable accommodation is a modification ACHA can make to its methods and procedures (but not Federal law, regulations or ACHA policies). Both unit modifications and reasonable accommodations are carried out to assist an otherwise eligible applicant or resident with a disability to take full advantage of and use ACHA's programs, including those that are operated by other agencies in ACHA-owned public space. **24 CFR § 8.20**

A modification or accommodation is not reasonable if it: **24 CFR § 8.21(b) and 24 CFR § 8.24(a)(2)**

- a. Causes an undue financial and administrative burden; or
 - b. Represents a fundamental alteration in the nature of ACHA's program.
3. Subject to the undue burdens and fundamental alterations tests, ACHA will correct physical situations or procedures that create a barrier to equal housing opportunity for all. To permit people with disabilities to take full advantage of ACHA's housing program and non-housing programs, in accordance with Section 504 and the Fair Housing Amendments Act of 1988, ACHA shall comply with all requirements and prohibitions in applicable law. **24 CFR § 8.4**

4. Facilities and programs used by applicants and residents shall be accessible to persons using wheelchairs, persons with sensory impairments and other persons with disabilities. Application and management offices, hearing rooms, community centers, day care centers, laundry facilities, craft and game rooms, etc. (to the extent that the ACHA has such facilities) will be usable by residents with a full range of disabilities. If ACHA offers such facilities, and none is accessible, some¹ will be made so, subject to the undue financial and administrative burden test. **24 CFR § 8.2**
5. Documents and procedures used by applicants and residents will be accessible for those with vision, hearing or other sensory impairments. Also, all documents will be written simply and clearly to enable applicants with learning or cognitive disabilities to understand as much as possible. **24 CFR § 8.6**
6. Examples of reasonable accommodations include, but are not limited to **24 CFR §8.4**
 - a. Assisting applicants with disabilities who have trouble using ACHA's on-line application and registering on the web portal to apply and use the web portal.
 - b. Making alterations to a ACHA apartment to make it fully accessible so it could be used by a person in a wheelchair.
 - c. Transferring a resident (at ACHA's expense) who needs a fully accessible unit from an apartment that cannot be made accessible to an apartment that is accessible (this may require moving the resident from one property to another).
 - d. Widening the door of a community room or public restroom so a person in a wheelchair may use the facility.
 - e. Adding or altering apartment or building features so they may be used by a family member with a disability, including but not limited to:
 - 1) Installing strobe-type flashing light smoke detectors and flashing light/doorbell for a family with a hearing impaired member.
 - 2) Adding structural grab bars in the bathroom.
 - 3) Changing the doorknobs to lever-type door handles.
 - 4) Installing a magnifier over the thermostat.
 - 5) Switching the bathtub to a shower.
 - 6) Lowering the peephole on the door.
 - f. Permitting a family to have a large dog to assist a family member with a disability in a ACHA family development where the size of pet dogs is usually limited; **24 CFR § 8.20**
 - g. Making sure that ACHA processes are understandable to applicants and residents with sensory or cognitive impairments, including but not limited to **24 CFR § 8.6**
 - 1) Making large type documents, Braille documents, cassettes or a reader available to an applicant or resident with a vision impairment during interviews or meetings with ACHA staff.
 - 2) Using personal visits, interviews or telephone calls to convey information to an applicant or resident who cannot see or read.

¹ It is not required that all public and common areas be made accessible so long as persons with disabilities have full access to all the types of facilities and activities available to persons without disabilities. Thus, not all laundry facilities need to be accessible so long as there are sufficient accessible laundry facilities for use by persons with disabilities at each development that provides laundry facilities.

- 3) Making a sign language interpreter available to an applicant with a hearing impairment during interviews or meetings with ACHA staff.
 - 4) Permitting an applicant or resident to be accompanied or represented by a family member, friend or advocate at all meetings and interviews with ACHA if the individual desires such representation.
 - 5) Permitting an outside agency or individual to assist an applicant with a disability to meet the ACHA's applicant screening criteria.
7. To meet the standard of HUD's definition of "Qualified Individual with a Disability" a family head or other member with a disability must still be able to meet essential obligations of tenancy. They must be able: **24 CFR § 8.3**
- a. to pay rent and other charges (e.g., utility bills) as required by the lease in a timely manner.
 - b. to care for and avoid damaging the apartment and common areas; to use facilities and equipment in a reasonable way.
 - c. to create no health, or safety hazards, and to report maintenance needs
 - d. not to interfere with the rights and peaceful enjoyment of others, and to avoid damaging the property of others.
 - e. not to smoke in a ACHA unit, common areas or anywhere on ACHA property except designated smoking areas.
 - f. not to engage in prohibited criminal activity that threatens the health, safety or right to peaceful enjoyment of the premises by other residents or staff; and not to engage in drug-related criminal activity; and
 - g. to comply with necessary and reasonable rules and program requirements of HUD and the ACHA.

But there is no requirement that they be able to do these things without assistance.

- a. If an applicant or resident family member needs assistance with filing an application or with one of the essential obligations of tenancy, ACHA will, as a reasonable accommodation, make a referral to an individual or agency that can provide such assistance. **24 CFR § 8.20**
- b. If an applicant or resident receives a referral to an agency or individual who can assist the applicant or resident with complying with the essential obligations of tenancy, the applicant or resident is not obligated to accept the service, but if refusing service results in a lease violation, ACHA may terminate the lease. **24 CFR § 8.2**
- c. An applicant or resident family with a member who has a disability and needs or wants a reasonable accommodation may request it at any time. **24 CFR § 8.20**
- d. If an applicant or resident would prefer not to discuss his/her disability with the ACHA, that is his/her right.
- e. Any request that requires a certified verification, must be submitted directly to ACHA by the qualified person making the certification.

C. Providing Information in Languages other than English for persons with Limited English Proficiency

1. For persons with Limited English Proficiency (LEP), language can be a barrier to accessing

important benefits or services, understanding and exercising important rights, complying with applicable responsibilities, or understanding other information. In certain circumstances, failure to ensure that LEP persons can effectively participate in or benefit from federally assisted programs and activities may violate the prohibition under Title VI against discrimination on the basis of national origin.

2. ACHA will take affirmative steps to communicate with people who need services or information in a language other than English. These persons will be referred to as Persons with Limited English Proficiency (LEP).
3. The specific methods ACHA will use to accomplish this policy:
 - a. All forms, written materials and recorded voice-mail messages used to communicate with prospective applicants, applicants and residents shall be available in any language spoken by the lower of 1000 eligible families or five percent of the eligible population of the ACHA's jurisdiction. This includes documents related to intake, marketing, outreach, certification, reexamination and inspections.
 - b. Applicants and residents with low English comprehension may furnish an interpreter to assist in communication with ACHA. When an applicant or resident needs interpretation services and a staff member of the Authority speaks the language needed, the staff member will provide translation services.
 - c. In a courtroom, a hearing, or situations in which health, safety, or access to important benefits and services are at stake, the ACHA will generally offer, or ensure that the family is offered through other sources, competent services free of charge to the LEP person.
 - d. The ACHA will provide written translations of other vital documents for each eligible LEP language group that constitutes 5 percent or 1,000 persons, whichever is less, of the population of persons eligible to be served. Translation of other documents, if needed, can be provided orally.
 - e. Applicants and residents with low English comprehension may furnish an interpreter to assist in communication with ACHA. When an applicant or resident needs interpretation services and a staff member of the Authority speaks the language needed, the staff member will provide translation services.

II. Eligibility and Intake

- A. "The Allegheny County Housing Authority offers several options to support residents in achieving housing stability, independence, and overall well-being. Available services include Resident Services, the Workforce Development/Family Self-Sufficiency (FSS) Program, and Community-Based Care Management, which addresses the social determinants of health that can impact long-term housing stability. In addition, ACHA partners with third-party community organizations to provide on-site supportive services at various properties. These partnerships include, but are not limited to, Eastern Area Adult Services, Pittsburgh Mercy, BJWL through Family Resources, and American Healthcare. Through these programs and collaborations, ACHA is implementing a holistic approach to housing that is effective in promoting resident well-being and proactive in preventing evictions."
- B. **Applications**
 1. ACHA will accept and process applications (including transfer applications) in accordance with applicable HUD Regulations. Except for qualification for preferences, ACHA will make its initial

determination of eligibility assuming that the facts certified to by the applicant in the preliminary application are correct, although all those facts will be verified later in the application process.

2. Newly developed properties owned by ACHA or an ACHA entity that contain a mix of units, some subsidized by project-based vouchers and others subsidized by public housing operating funds, shall maintain separate waiting list by program type (e.g., there will be one waiting list for ACC units, a separate waiting list for project-based voucher units and a third list for LIHTC units without deep subsidy. Applicants shall be assigned to units suitable for their family sizes and disability needs.
3. Every application file for admission to low rent housing shall include the date and time of application, or application number (if applicable), applicant's race and ethnicity; eligibility determination; when eligible, the apartment size(s) for which eligible; preference, if any; and the date, location, identification, and circumstances of each vacancy offered and accepted or refused.
4. The following information will be verified according to HUD's regulatory requirements at 24 CFR part 5 and ACHA's Procedure on Verification, to determine qualification for admission to ACHA's housing: **24 CFR § 960.259**
 - a. Family composition, demographics and type (Elderly/Disabled//Non-elderly)
 - b. Annual Income
 - c. Net Family Assets and Asset Income
 - d. Deductions from Income
 - e. Preferences
 - f. Social Security Numbers of all Family Members
 - g. Applicant Screening Information (including tenant and criminal history)
 - h. Citizenship or immigration status
5. Under the HOTMA regulation PHAs are permitted to use income verifications from other governmental programs including:
 - a. TANF
 - b. Medicaid
 - c. SNAP (food stamps)
 - d. Low Income Housing Tax Credit (Which ACHA is already verifying)
 - e. WIC
 - f. SSI
 - g. Other programs administered by the Secretary (Presumably this means things funded by CDBG)

Annual income data from these programs is still subject to 3rd party verification rules. Depending on the cooperation provided by other sources, it may be simpler to continue to verify Annual Income using current methods.

6. Enterprise Income Verification (using Federal databases) or third party written information that is mailed, faxed or transmitted electronically between ACHA and the verification source are the required form of documentation after admission. Prior to admission third party verifications will be used. Any other form of verification requires a note to the file explaining its use. When the HUD Enterprise Income Verification system is not available, ACHA shall use third party written verification. **24 CFR § 960.259**

7. Individuals applying for admission must submit an application or pre-application in the manner stipulated the announcement of the opening of the Waiting List, or, if they are a person with a disability, may submit an application by mail or in person.
8. If an applicant needs assistance in completing any aspect of the application process because of a disability, ACHA will assist the applicant as needed to ensure equal access to ACHA's programs.
9. Applicants providing false information regarding Family Income, composition, preferences or other circumstances affecting their eligibility or rent level will be denied. If the Applicant has been assigned a unit, the lease will be terminated and ACHA will pursue all lawful civil claims and criminal actions, including the recoupment of back rent.
10. If an applicant's preference status changes while on the waiting list, the applicant's position on the list will be adjusted to reflect their current status.
11. If the head of an applicant household dies while the family is on the waiting list, and the family includes another adult, ACHA will change the application to make the other adult the new applicant so long as the family reports the death within 30 days and requests that another adult family member be named the head.
12. Applicants whose family size or composition changes while on the waiting list will be able to change their applications in accordance with the following policy:
 - a. Children who have been added to the family through birth adoption or court awarded custody to people already listed on the application will be added.
 - b. Individuals who can document that they need a Live-in Aide (even though not included on the original application) will be permitted to add the Live-in Aide.
 - c. Other adults will be added to an application even if their addition would change the unit size for which the family qualifies.
 - d. As mentioned in the Tenant Selection and Assignment Plan, when people apply for public housing, they can choose up to three properties with units of the correct size and type for their families.
 - e. Any family that has already applied for public housing will not be permitted to file another application until they receive and refuse a unit offer.
 - f. Applicants will be permitted to revise their applications up to the time that they receive a unit offer to add or delete family members, update income information and correct preference information.
 - g. If ACHA offers a computerized "applicant portal" through its website, applicants will be able to update their applications using this automated feature. Applicants with disabilities who are unable to access the applicant portal will be assisted by ACHA staff.
 - h. Changes made to applications will not change the date and time or application number of applicants, although changes in family size may mean the applicant must select different properties with units of the correct size.

C. Closing and Re-opening the Waiting List and Removing Applications from Waiting Lists

1. Waiting lists will be opened and closed in accordance with proper public notice. Applicant names will be removed from the waiting lists only if they:
 - a. Request to be removed from any or all waiting lists.

- b. Are housed. In this case the applicant's name is removed from all other waiting lists.
- c. Refuse a unit offer at a property that they selected.
- d. Are determined to be ineligible for admission. In this case the applicant's name is removed from all other waiting lists.
- e. Fail to meet applicant screening standards. In this case the applicant's name is removed from all other waiting lists.
- f. Are not able to be contacted by the ACHA at the address or phone number they provided to the ACHA; In this case the applicant's name is removed from all other waiting lists. **24 CFR § 960.206**

D. It is unlikely that ACHA will close the waiting list for the highest priority applicants or at certain properties.

E. Affirmative Fair Housing Marketing and Outreach Procedures

1. When the waiting list is open ACHA will conduct affirmative marketing as needed to ensure that the waiting list includes a mix of Applicants with races, ethnic backgrounds, ages and disabilities proportionate to the mix of those groups in the eligible population of its area of operation. ACHA will review the factors regularly to determine the need for and scope of marketing efforts.
2. All marketing efforts will include outreach to those least likely to apply. ACHA may designate sites for accepting applications. ACHA staff will be available at these sites to assist Applicants with disabilities in completing the housing application documents. If additional applications are required to attain any of the objectives established in this Policy, ACHA will engage in outreach efforts directed toward potential Applicants who might fulfill the need.

F. Income Targeting Requirements

ACHA will ensure that at least 40 percent of Families admitted to public housing in any year have incomes at or below the Federal "extremely low income" limit. HUD establishes income limits and revises them annually to ensure that federal rental assistance is provided only to low-income families. Except under limited circumstances, the Applicant Family's Annual Income must not exceed the applicable income limit that HUD establishes and publishes for each county or Metropolitan Statistical Area (MSA) in the country. The income limits are based on percentages of the median income of the geographic area for which the limit is established and are adjusted for family size.

G. Qualifying for Admission

It is ACHA's policy to admit **only** applicants who can be verified to be qualified² according to all the following criteria

1. Are a Family³, as defined in Section XIII of this policy.
2. Have at least one family member who meets HUD requirements on citizenship or immigration status⁴ since only US citizens and eligible immigrants may receive housing assistance. **24**

⁷ If the Applicant entering ACHA's program is from another state, ACHA will verify the Applicant has successfully completed a state approved supervised program from the Applicant's state of origin

During screening, ACHA requires applicants to demonstrate ability to comply with the essential provisions of the lease: **24 CFR§ 960.202 – 205**
 - a. to pay rent and other charges (e.g., utility bills) as required by the lease in a timely manner.
 - b. to care for and avoid damaging the apartment and common areas.
 - c. to use facilities and equipment in a reasonable way.
 - d. to create no health, or safety hazards, and to report maintenance needs.
 - e. not to interfere with the rights and peaceful enjoyment of others, and to avoid damaging the property of others.
 - f. not to smoke anywhere on ACHA property other than designated outdoor smoking areas that will be at least 25 feet from any ACHA building.

 - b. Applicants who owe money to ACHA or any other housing authority will not be admitted

to the program until their debt is paid in full. When an applicant is in the final application stage of admission, if it is found that the applicant owes money to any PHA, the applicant will be given 30 days to repay the debt in full. 8. ACHA's screening process will review the following information for each Applicant family (including certain data specific to every adult family member):
- a. Applicant's prior rental history (or other history if there is no rental history) must demonstrate the applicant family's ability and willingness to comply with necessary and reasonable standards of behavior.
 - b. Applicants must satisfy in full any overdue accounts or indebtedness owed to ACHA or any other housing authority by any adult family member.
 - c. The Applicant's lease must not have been terminated for cause by ACHA and, if a Section 8 program participant, the Applicant's voucher must not have been terminated within the previous 3 years, except that the period shall be 5 years for a drug related eviction or termination.
 - d. Applicant must have a history of reasonably good performance in meeting rent and utility payment obligations⁸, and no record of eviction from housing or termination from residential programs in the past 3 years for failure to meet financial obligations.

Former residents will not have their application rejected if the debt owed to ACHA was discharged by a bankruptcy court.

- e. ACHA shall deny admission to any Family if there is reason to believe that a Family member engaged in any of the following acts:
 - 1) Crimes involving physical force, such as forcible rape, murder, robbery, assault and battery through use of a weapon; aggravated assault, domestic violence (as the individual who committed the violence, not the victim) or
 - 2) Any activity involving the use of weapons against persons or property.

Further, ACHA will deny admission to any Applicant if any adult family member:

- 1) Has ever been convicted of manufacturing or producing methamphetamine on the premises of any HUD-assisted housing. HUD regulations require that ACHA **permanently** bar any individual with such a conviction.
- 2) Is subject to a lifetime registration requirement under any State sex offender registration program. HUD regulations require that ACHA **permanently** bar any individual subject to such lifetime registration requirements.
- 3) Is subject to a shorter than "lifetime" registration requirement under any State sex offender registration program during the required registration period. Further, to be eligible for admission any applicant must adhere to any requirements imposed by probation or parole.
- 4) Has engaged in "other sex offences" even if not required to register in the past 10 years.
- 5) Was convicted of sex offenses prior to 1995 that, if convicted later than 1995 would

⁸ Exceptions can be made when the amount of rent plus utilities exceeds 50 percent of the applicant's adjusted monthly income.

have required the offender to register as a sex offender.

- 6) Has been evicted because of drug-related criminal activity from housing assisted under the U.S. Housing Act of 1937 or convicted of drug-related criminal activity for a minimum of 3 years beginning on the date of such eviction or conviction drug use or possession or 5 years for felony drug trafficking. This requirement may be waived if:
 - a) The eviction/conviction was for drug use or possession and, since the eviction/conviction, the relevant member of the Applicant Family has successfully completed a supervised drug rehabilitation program licensed and approved by the appropriate state agency. To demonstrate completion, the Applicant must provide a certificate of completion issued by the agency responsible for treatment. If the Applicant entering ACHA's program is from another state, ACHA will verify the Applicant has successfully completed a state approved supervised program from the Applicant's state of origin; or
 - b) the circumstances leading to the eviction no longer exist (for example, the individual involved in drugs is no longer a member of the family).
 - c) This waiver is not available to a person who was evicted for felony selling, trafficking, producing or manufacturing illegal substances.
- 7) Is currently engaged in the illegal use of controlled substances or engaging in conduct that presents a pattern of illegal use of controlled substances. This type of criminal activity will result in a 3-year denial of admission.

This requirement may be waived if the Applicant demonstrates to ACHA's satisfaction that the relevant member of the Applicant Family no longer engages in the illegal use of the controlled substance(s) (see Section e.7.a) below).

- 8) Has a history of engaging in violent crimes to persons or property and/or other criminal acts that would adversely affect the health, safety or welfare of other residents or ACHA personnel. The specific crimes and the time period after conviction and completion of jail/prison sentence for which the perpetrator will be denied public housing are listed below:
 - a) Lifetime Denial
 - Conviction for Arson
 - Conviction for manufacturing methamphetamine in assisted housing
 - Lifetime registration requirement as a sex offender
 - Conviction for a crime of violence against a child
 - b) 5-year denial
 - Conviction for Homicide
 - Conviction for Aggravated Assault
 - Conviction for Robbery
 - Conviction for Violation of Uniform Firearms Act
 - Conviction for Rocco's Law
 - Conviction for Disarming a Law Enforcement Officer
 - Conviction for Possession with Intent to Deliver a Controlled Substance
 - Conviction for Manufacture of any Controlled⁹ Substance
 - Conviction for Burglary of an occupied unit

⁹ Including new or "designer" drugs

- Conviction for Endangering the Welfare of a Child
- Conviction for Fugitive felons, parole or probation violators, or persons fleeing to avoid prosecution, custody or confinement after conviction for a crime of attempting to commit a crime that is a felony under the laws of the place from which the individual flees.

c) 3-year denial

- Conviction for Possession of a Controlled Substance
- Conviction for Felony Possession of Marijuana
- Conviction for Solicitation of a Minor to Traffic Drugs
- Conviction for Causing/Risking a Catastrophe
- Conviction for Criminal Mischief (>\$5,000)
- Conviction for Burglary of an unoccupied unit
- Conviction for All felony thefts and fraud
- Conviction for Forgery
- Conviction for Identity Theft
- Conviction for Reckless Endangerment

d) While ACHA does not routinely monitor crimes by juveniles, if ACHA becomes aware that a juvenile has committed a crime for which they could be denied for life, the family will be denied housing.

9) Has been charged with or convicted of Criminal Intent, Solicitation, or Conspiracy with regard to any of the crimes listed above

10) Is on parole or probation for drug-related crimes, violent crimes or crimes that threaten the health, safety and/or general wellbeing of the community. The evidence of probation or parole for the aforementioned crimes maybe waived if the following criteria applies:

- a) An Applicant is currently on probation or parole for an offense (except regulatory exclusions) that occurred prior to the five-year timeframe, and the Applicant can provide documentation from their probation or parole officer that all conditions of probation or parole are being met satisfactorily with no violations.
- b) An Applicant has completed probation or parole for an offense (except regulatory exclusions) that occurred prior to the five-year timeframe, and the Applicant can provide documentation from their probation or parole officer that all conditions of probation or parole were met satisfactorily with no violations.

11) Applicant must have no history of misrepresenting information relative to eligibility, income, allowances, family composition or rent.

12) Applicant must have no history in the past 5 years of disturbing neighbors, destroying property, or negative living and housekeeping habits at prior and/or current residences.

L. Determination of Eligibility and Notification of Applicants

1. Once ACHA receives a completed application, the unverified income eligibility of the Applicant will be determined by ACHA.
2. Applicant screening and verification of income, family composition, citizenship /immigration status, social security numbers, preferences and allowances will not take place until the

Applicant is within estimated 120 days of receiving a unit offer. ACHA verifies all information related to eligibility for admission, receipt of subsidy and rent.

3. Each eligible Applicant will receive written notification of his/ her eligibility and of the approximate date he or she will be offered housing. A copy of this notification will be retained in the Applicant's file.
4. Each Applicant determined to be ineligible or unqualified for admission will be notified in writing of the reason(s) for the determination and the Applicant's right to submit a written request for an informal hearing within fourteen (14) calendar days of the date the notice is postmarked.

An Informal Hearing for denied applicants is NOT a grievance hearing, since grievance hearings are only available to public housing residents and not applicants. Rather, the Informal Hearing is an opportunity for a public housing applicant who has been denied admission to hear the reasons for the denial and to offer facts that might refute those reasons to an individual other than the person who made the decision to deny admission.

If the facts offered by the denied applicant at the Informal Hearing are convincing, the applicant will be reinstated at his/her waiting list position and offered a unit.

If the Informal Hearing Officer determines that the reasons for denial are convincing, the denial will be upheld, and the applicant will be removed from the waiting list and must wait one year to reapply.

5. ACHA will provide the Applicant with a copy of any information (including criminal history) ACHA used to determine the Applicant ineligible or unqualified for admission upon written request.
6. Applications withdrawn by the Applicant or ACHA, applications submitted by ineligible or unqualified applicants, and the notice of ineligibility will be retained in ACHA files for three (3) years following the date of the withdrawal or rejection of the application.
7. Applications will be withdrawn from the waiting list by ACHA when an applicant fails to respond to a request for information, or to attend a meeting, briefing or appointment, or when letters or notices sent to the applicant are returned because the applicant is no longer at the address of record. So long as the communications sent by ACHA used first class mail or other method requested by applicants with disabilities, applicants shall not be entitled to informal hearings for withdrawn applications. If applicants have their applications withdrawn for one of the reasons listed in this paragraph, they must re-apply (with a new date and time of application) if they want to be added to the waiting list again.

M. The Preference System for Public Housing and Multifamily Housing Units

Preferences establish the order of applicants on the waiting list. Every applicant must still meet ACHA's Selection Criteria before being offered an apartment. Preferences will be granted to applicants who are otherwise qualified and who, at the time of the offer (immediately prior to execution of a lease), are verified to meet one of the definitions of the preferences described below. **24 CFR § 960.206**

1. Local Preferences

There are 6 local preferences in effect. An applicant will qualify for a preference if he/she qualifies in one or more of the following categories (that are defined Chapter XIII, Definition of Terms):

- a. Veteran's Preference: This is the highest preference and is awarded to a family whose head, spouse, co-head or sole member is a veteran of the U.S. military with an honorable discharge, or the family of the surviving spouse or co-head of such a veteran.¹⁰

The remaining preferences are of equal weight.

- b. Assisted Housing Disaster Preference: Applicants displaced by a Federally declared disaster, or a local disaster¹¹ will qualify for this preference if they apply within 90 days from the date the disaster is declared (and the waiting list is open at that time). They will be admitted in the following order:
 - 1) Existing public housing residents and HCV program participants
 - 2) Applicants who were not previously living in assisted housing but who meet all other application criteria.
- c. Mixed population building preference:¹² In buildings designed for occupancy by Elderly and Disabled families, applications from single persons who qualify under the definitions of Elderly Family, Disabled Family and Displaced Person will be ranked higher than those of single persons who are not elderly, disabled or displaced. None of these properties has been formally designated for Elderly and Disabled families.
- d. Special programs preference: The ACHA may set aside units in a specific property or properties for use by families being assisted by a social service agency with which the ACHA has a formal agreement under which the ACHA provides housing to the eligible applicants referred by the agency and the agency continues to provide support to those families. All such formal agreements shall be adopted by the ACHA's Board of Commissioners by resolution in a properly notice public meeting.

The Allegheny County Housing Authority offers several options to support residents in achieving housing stability, independence, and overall well-being. Available services include Resident Services, the Workforce Development/Family Self-Sufficiency (FSS) Program, and Community-Based Care Management, which addresses the social determinants of health that can impact long-term housing stability. In addition, ACHA partners with third-party community organizations to provide on-site supportive services at various properties. These partnerships include, but are not limited to, Eastern Area Adult Services, Pittsburgh Mercy, BJWL through Family Resources, and American Healthcare. Through these programs and collaborations, ACHA is implementing a holistic approach to housing that is effective in promoting resident well-being and proactive in preventing evictions.

- e. Aging out of Foster Care: ACHA will award an admissions preference to one or more individuals who are aging out of Foster Care. Two or more of such individuals, even if not related by blood will be considered a family if they choose to reside together and share resources.
- f. Individuals referred by nursing homes who do not need full-time nursing care but who do need low-income housing.

¹⁰ For the family of a deceased veteran to claim the Veteran's preference, all family members must have been living with the Veteran at the time of the Veteran's death.

¹¹ A local disaster is one that is declared by the State or County or recognized by the Executive Director and ratified by the Board of Commissioners.

¹² This preference shall not apply to units in General Occupancy properties.

- g. Confidential Informants and Witnesses to Crimes: Current public housing residents and applicants who assist the ACHA Police Department either as confidential informants or as witnesses to crimes will receive admission or transfers to other ACHA properties so long as they continue to cooperate with the ACHA Police and, when they complete their crime reduction activities will be issued Housing Choice Vouchers so they can relocate.
2. Except for the Veteran's Preference, these preferences are of equal weight and an applicant may qualify under any of the above categories. Within each preference tier, applications are sorted by date and time of application or lottery number, whichever is applicable.
3. Families that do not qualify for one of these preferences and all applicants to multifamily properties will be categorized as "no-local-preference" applicants.
4. Sorting among applicants with equal Local preferences will be by date and time of application or application number (whichever system is in effect).

N. Factors other than Preferences that affect selection of Applicants

1. Accessible units: For UFAS or ADAAG accessible units, resident and applicant families that include a member with a disability who is verified to need the features of such units shall be given preference for admission over a family that does not include a member with such a disability. Further, persons needing more features of a specific unit will be given preference over persons needing fewer features of the units available even if the person needing fewer accessibility features has a lower application number or has been waiting longer. Higher need trumps waiting list position.

When a UFAS accessible unit becomes available, it shall be offered first to a current resident who needs the features of the unit and second (only if there are no residents who need the features and will accept a transfer) to an applicant family with a member who needs the accessibility features.

2. Income targeting: At least 40 percent of public housing admissions from the waiting list in every year shall be families of Extremely Low Income (as defined in Chapter XIII, Definition of Terms).
3. Deconcentration: If at any time, one of ACHA's public housing properties has an average tenant income 15 % higher or lower than the ACHA-wide average income, applicants whose incomes will help the property be within 15% of the average income will be targeted for admission until it is within 15 percent of ACHA-wide average income. In addition, ACHA may offer voluntary transfers from higher income properties to lower income properties to help achieve deconcentration goals. It is not practical to try to attract higher income applicants to the lower income properties because there are virtually no higher income applicants to attract.

O. Updating the Waiting List

At least once every 12 to 18 months ACHA may update the waiting list to make sure that all applicants are still interested in living in a public housing unit and to ensure that information on applicant incomes, family composition and preferences is completely accurate.

1. Applicants will be contacted by mail or email.
2. Applicants will be asked to report any changes in family composition, earned and unearned income and whether they qualify for any preferences.
3. Once ACHA hears back from applicants, their applications will be updated.
4. If applicants fail to respond to the Update request, or if letters mailed to the applicant come back marked "undeliverable", the applicant will be withdrawn from the waiting list.

5. Families whose applications are withdrawn are not entitled to informal hearings.

P. Records Management

Information received by ACHA from any agency regarding drug treatment and criminal background shall be handled as required by HUD regulations.

All criminal records are maintained in a secured environment. Once the purpose for which the records were obtained is completed, the records are permanently destroyed by shredding.

1. Occupancy Guidelines: HUD Notice of Policy, Dec. 18, 1998, Federal Register

2. Apartments shall be occupied by families of the appropriate size. This policy maintains the usefulness of the apartments, while preserving them from excessive wear and tear and under-utilization.

Minimum and Maximum-Number-of-Persons-Per Unit Standard		
<u>Number of Bedrooms</u>	<u>Min Persons/Unit</u> <u>(Largest Unit Size)</u>	<u>Max Persons/Unit</u> <u>(Smallest Unit Size)</u>
0BR	1	1
1BR	1	2
2BR	2	4
3BR	3	6
4BR	5	8
5BR	7	10

3. A family may qualify for a unit smaller than those listed above providing that the unit's bedrooms have at least 70 square feet for a single person and an additional 50 square feet for each additional person. Thus, to house three people in a one-bedroom apartment, the bedroom would have to have 170 square feet.

4. ACHA will use the gender designation chosen by the family for each member.

5. The following principles govern the size of apartment for which a family will qualify. Generally, two people are expected to share a bedroom. The guidance below explains how ACHA determines unit sizes to be assigned, but each family, not ACHA, decides exactly who shares a bedroom. Units will be so assigned that:

- a. Children aged two and under may be assigned a bedroom with any other child or a parent, regardless of age or sex.
- b. Children between the ages of two and seventeen and adults will be assigned separate bedrooms, although the actual use of bedrooms is determined by the family.
- c. Two children between the ages of two and seventeen of the same sex may be assigned one bedroom so long as the age difference of the children is five years or less. If two children of the same gender are more than five years apart in age, they may be offered separate bedrooms.
- d. Two children between the ages of two and seventeen of the opposite sex will be assigned separate bedrooms, although the actual use of bedrooms is determined by the family.
- e. Two adults (eighteen and older) of the same sex may be assigned one bedroom unless they are unrelated individuals with disabilities or are siblings.
- f. Two adults (eighteen and older) of opposite sex who are spouses or co-heads are assigned one bedroom.

- g. Two adults (eighteen and older) of opposite sexes who are not related by blood may share one bedroom.
- h. A single head of household parent will be assigned a separate bedroom from his/her child over age two, although the actual use of bedrooms is determined by the family.
- i. Exceptions to the largest permissible apartment size may be made when verified to be needed as a reasonable accommodation for a person with disabilities. If a person with a disability requests an extra bedroom for disability-related equipment, ACHA will inspect the equipment before deciding whether to grant the extra bedroom.
- j. An unborn child will be counted as a person in determining apartment size assigned.
- k. ACHA will count for unit size determination a child who is temporarily away from the home because the child has been placed in foster care, kinship care, or is away at school, so long as it can be verified that the child will be living with the family if they are admitted.
- l. A live-in aide may be assigned a bedroom if a unit of the right size is available. Single elderly or disabled residents with live-in aides will be assigned one or two bedroom units (not efficiency units).
- m. ACHA reserves the right to relax these Occupancy Standards at hard-to-lease properties.
- n. The Local Housing Code of two persons per bedroom is the standard for the smallest apartment a family may be offered ¹³.
- o. The largest apartment size that a family may be offered would be one bedroom per family member, considering family size and composition.

III. Tenant Selection and Assignment Plan

A. Organizing the Applicant Waiting List

1. Site-based Waiting Lists

ACHA has established site-based waiting lists for public housing and site-based waiting lists for tax credit properties:

- a. All mixed finance properties have site-based waiting lists as do the Section 8 multifamily and Project-based properties.
- b. The preferences described earlier in this Policy will be used to establish the order of each site-based waiting list and all applicants will retain their initial date and time of application/application number in the conversion. Changes in applicant family size will not change the applicant's date and time or application number.
- c. Each public housing applicant will be allowed to choose up to three public housing properties with units of the size and type needed by the applicant. Applicants are required to state one, two or three properties where they will accept a unit offer. This approach guarantees that no applicant will receive a unit offer at a property they did not select.
- d. An applicant who refuses a unit offer without verified "good cause", at one of the properties chosen by the applicant will be removed from the waiting list and will not be permitted to re-apply for 30 days and then only when the waiting list is open

¹³ Individual apartments with very small or very large bedrooms or other specific situations that inhibit or encourage lower or higher levels of occupancy may be permitted to establish lower or higher occupancy levels so long as the occupancy levels will not discriminate based on familial status.

B. Making Unit Offers to Transferees and Applicants

1. Certain transferees (categories B.1.3.a. and b.1) and b.2) will receive offers of housing before applicants from the waiting list.
2. In all offers ACHA shall not discriminate on grounds of race, color, sex, religion, national origin, disability, sexual preference, gender identity or familial status.
3. Specifically, the following order of offers applies:
 - a. Emergency transfers; **24 CFR § 966.4 (h)**
 - b. Reasonable Accommodation Transfers:
 - 1) Reasonable accommodations for residents with disabilities to units that are suitable for their disabilities and transfers of non-disabled families out of accessible units to make them available for disabled families. **24 CFR § 8.4**
 - c. Administrative transfers in order by date of transfer request
 - 1) Priority 1: ACHA actions that require a unit to be vacated. Such actions could include renovation, revitalization, demolition or disposition of the building or complex.
 - 2) Priority 2: Deconcentration Transfers
 - 3) Priority 3: Unit is too large or too small for the resident family. **24 CFR § 966.4(c)**
 - 4) New Admissions from the Waiting List

To reduce vacant units, ACHA does not offer resident-requested transfers
4. To assure equal opportunity and nondiscrimination on grounds of race, color, sex, religion, sexual preference, gender identity, national origin, disability or familial status, PLAN "A", the one-offer plan, will be used to make apartment offers to applicants or transferees from waiting lists. Every transferee or applicant will receive one unit offer. **24 CFR § 1.4(2)(ii)**
5. The first qualified applicant or transferee in sequence on the waiting list is made one offer of an apartment of appropriate size and type at a property he/she selected.
6. An applicant/transferee must accept the vacancy offered or be removed from the waiting list unless the applicant refuses the offer with Good Cause.
7. ACHA will first match the apartment available to the highest-ranking applicant for an apartment of that size, type and special features (if any). Preferences will then be used to determine the order of selection from the waiting list. If two applicants need the same type and size of apartment and have the same local and ranking preference status, the applicant with the earliest date and time of application/lowest application number will receive the earlier offer. **24 CFR § 960.206(c)**.
8. If an applicant family's size changes while on the waiting list, the family is required to make all changes in the web portal so they can be placed on the correct sub-list by unit size¹⁴. The family must provide written documentation of the change of family size or the must use the method of contact needed by an applicant with a disability. If ACHA discovers that a change in family size means that a family cannot be processed for a certain vacant unit, the family will be transferred to a list for the correct size of unit. Some sites may not have units of the size needed by the family and the family will be permitted to select a different site or up to 3 sites.
9. When application processing is delayed because of missing verifications or inconclusive

¹⁴ Applicants with disabilities who are unable to use the web portal should request assistance from ACHA staff and assistance will be provided.

screening information, a family's application will be suspended for up to 15 days until the necessary verifications are received. This means that a person who is lower on the waiting list may receive a unit offer before a person who is higher on the waiting list. As soon as the necessary verification(s) are received, the suspended application will be placed back on the waiting list in its former position

10. If an adult applicant family member is verified to have an open (unresolved) arrest for either violent or drug related criminal activity, the application will be suspended for up to one year or until the arrest is resolved by acquittal, dismissal, conviction or guilty plea. The applicant is responsible for keeping ACHA informed of the status of all such open arrests.
11. The applicant must accept any apartment offered within five (5) calendar days of the later of the date the offer is communicated (by phone, mail, or the method of communication designated by an applicant with disabilities) or the date they are shown the apartment or an equivalent apartment.
12. If the applicant does not accept the unit offer within five (5) calendar days or simply does not respond to the unit offer, he/she will be withdrawn from the waiting list unless the unit has been rejected for "good cause". Applicants may not receive an offer for public housing for 12 months from the date when they either refused a unit offer or failed to respond to a unit offer¹⁵.
13. All offers made over the phone will be confirmed by first class letter¹⁶.
 - a. If more than one apartment of the appropriate size and type is available, the first apartment to be offered will be the apartment that is or will be ready for move-in first.
 - b. If two units are ready for move-in on the same day, the first apartment to be offered will be the apartment that became vacant first.

C. Accessible Units

1. Before offering an accessible apartment¹⁷ to a non-disabled applicant, ACHA will offer such units:
 - a. First, to a current public housing resident with a disability that requires the greatest numbers of the special features of the vacant apartment. **¹⁸24 CFR § 8.27(1) (a)**
 - b. Second, to an eligible qualified applicant on the waiting list having a disability that requires the greatest number of special features of the vacant apartment. **24 CFR § 8.27(1) (b)**
2. When offering an accessible/adaptable apartment to a non-disabled applicant, ACHA will require the applicant to agree to move to an available non-accessible apartment within 30 days when a current resident or an applicant with a disability needs the apartment. This requirement is also reflected in the lease. **24 CFR § 8.27 (2)**
3. If an applicant family includes a member with a visual or hearing impairment, the ACHA will quickly retrofit the unit (at ACHA's cost) to be offered to the family to make it fully accessible for the family member's disability whether two percent of the property's units are already accessible for persons with hearing or vision impairments.

¹⁵ Applicants who have been denied for failing to meet applicant selection criteria must also wait 12 months before they will be permitted to reapply.

¹⁶ Or by the communication method requested by an applicant with disabilities

¹⁷ An accessible unit is one that has been designed for use by a person using a wheelchair

¹⁸ So, a family with a member who uses a wheelchair will be offered an accessible unit before a family that needs a roll-in shower but has no members who use wheelchairs.

D. Administering the Applicant and Transfer Waiting Lists

1. Applications for admission and transfer to and within public housing properties will be processed centrally by the Occupancy Coordinator. Initial intake, waiting list management, screening, and assigning of housing will be made by the Occupancy Coordinator. Offers may be made in person, in writing or by phone from the central office.
2. Note: ACHA will manage the application and transfer at process for ALL public housing units/properties. Applications for admission to the market rate units at Low Income Housing Tax Credit properties will be processed by site staff and audited regularly by ACHA.

E. Transfers

ACHA has three possible types of transfers: Emergency, Reasonable Accommodation, and Administrative. The definition of each is found in the Transfer section.

1. Most transfers take precedence over new admissions (See paragraph B.1 of this section). Certain overcrowded families may be offered “split family transfers”. This will only occur if there are at least two adults in the original family willing and capable of being heads of households. In this situation the two adults will be offered transfers to two different smaller units rather than one very large unit.
2. Tenants on the transfer list may refuse transfer offers for the “good cause” reasons without losing their position on the transfer list.
3. Tenants who refuse a transfer offer without good cause will be removed from the transfer list and tenants whose transfers are mandatory are subject to lease termination for failing to accept the mandatory transfer. **24 CFR § 955.4(c)**
4. Tenants may use the ACHA Grievance Procedure if ACHA is requiring them to transfer, and they do not want to do so. **24 CFR § 966.50**

F. Monitoring Tenant Selection and Assignments

Detailed records of units offered, including the location, date, and circumstances for each acceptance, or refusal of an offer will be maintained and monitored using the ACHA Procedure on Monitoring Tenant Selection and Assignment.

G. Fair Housing

1. Complaints: ACHA will respond to all complaints received from Applicants and tenants who believe that their rights under the Fair Housing Act have been violated. A written record of each complaint including the date, name of the person making the complaint, names of all people(s) involved, investigation of the facts, record of the hearing, and the final decision regarding the complaint will be maintained by ACHA. Each complainant will be furnished a written notice of the decision or action taken.
2. Applicants will be advised of their right to file a complaint with the HUD Fair Housing and Equal Opportunity Office. Information outlining how to file complaints with HUD is posted in the Applications and Assignments office and at all ACHA housing developments

IV. Leasing Policies

A. General Leasing Policy

1. Apartments will be leased without regard to race, color, religion, sex, age¹⁹, sexual orientation,

¹⁹ Except at those properties that are properly designated for Elderly families without children, only.

gender identity, national origin, disability and family status. **24 CFR §§ 1.4 and 100**

2. All units must be occupied by families whose sole residence is the apartment. **24 CFR § 966.4(f)**
3. All units must be occupied pursuant to a signed ACHA lease that complies with HUD's regulations **24 CFR § 966.4** or, for multifamily properties, the HUD model lease.
4. ACHA will neither offer nor move a family into an apartment that does not meet basic standards of habitability, including HUD occupancy standards. **24 CFR § 966.4(e)**
5. The lease shall be signed by the head, spouse, and all other adult members of the family and by the authorized representative of ACHA, prior to actual admission **24 CFR § 966.4 (p)**
6. The manager shall provide an explanation of the lease provisions either prior to move-in or at the time of move-in. The explanation must be in a language understood by the Resident or in a manner intelligible to a person with disabilities.
7. Changes in family composition, income or family status between the eligibility interview and leasing will be processed by site staff (see III.d.1 and 2 above). Changes after leasing will be processed by the Manager or other authorized representative of ACHA.
8. Security Deposit:
Public Housing Properties:
 - a. The resident shall pay a security deposit at the time of leasing, or, with the permission of ACHA, shall be permitted to pay part of the security deposit at leasing and the remainder over the first six months of tenancy as a charge in addition to the rent.
 - b. The security deposit for new Elderly or Disabled families shall be the greater of \$200 or one month's rent.
 - c. The security deposit for new non-elderly and non-disabled families shall be the greater of \$200 or one month's rent.
 - d. For all current residents, the amount of security deposit already paid shall not be increased while the resident lives at any ACHA property (including situations in which a family is transferred from one property to another).
 - e. If a resident transfers from one property to another, the security deposit should be applied to the new unit and shall not be increased. If, after conducting a move-out inspection of the previous unit, damages or other charges are owed, ACHA will charge the resident but will not use the security deposit to pay the charges. The disposition of the security deposit will only occur when the resident leaves the program.Multifamily and Tax Credit properties:
 - a. ACHA will comply with HUD's security deposit requirements as stated in Handbook 4350.3 as revised from time to time for all multifamily properties.
 - b. At Tax Credit properties, the amount of the security deposit is set forth in the property's Tenant Selection Plan and may vary from one property to another.
9. Pet deposits are in addition to the security deposit, in accordance with ACHA's Pet Policy and Procedure. **24 CFR § 966.4(b)(5)** In addition, ACHA may charge a nominal monthly Pet Fee to offset the costs associated with pets. Assistive animals verified to be needed by residents with disabilities are not pets and neither pet deposits nor pet fees are required.
10. If a resident is transferred from one ACHA apartment to another, a new lease will be executed for the dwelling into which the family moves. **24 CFR § 966.4 (a)(ii)**

11. If at any time during the life of the lease agreement, a change in the resident's status results in the need for changing or amending any provision of the lease, either: **24 CFR § 966.4(c)**
 - a. A new lease agreement will be executed, or
 - b. A Notice of Rent Adjustment will be executed, or
 - c. An appropriate rider will be prepared and made a part of the existing lease.

All copies of such riders or insertions are to be dated and signed by the Resident and by the Executive Director or other authorized representative of ACHA. **24 CFR § 966.4 (o)**

12. At the time of leasing, the new resident will receive a copy of the applicable ACHA Lease and the following attachments:
 - a. Pet Policy.
 - b. Community Service Policy (public housing only).
 - c. Applicable City Ordinances (if applicable).
 - d. Other lease attachments as stipulated in Part 1 of the Lease.
13. If, at any time, the head of household dies or leaves the unit for any reason (Institutionalization, forming a new household elsewhere), ACHA will permit the remaining members of the family to remain in the unit so long as:
 - a. The remaining family member(s) report the death or departure of the head within ten days of the occurrence.
 - b. There is still at least one member who was listed on the lease for the apartment
 - c. The family includes a person who is an adult capable of executing a lease.
14. Residents are not permitted to allow roomers or boarders to occupy their apartments. Violation of this provision is grounds for lease termination.
15. Residents are not permitted to allow a former resident of ACHA who has been evicted to occupy their unit, even as a visitor. Violation of this provision is grounds for lease termination.
16. Residents must advise ACHA if they will be absent from the apartment for more than 7 days. Residents shall notify the manager, secure the apartment and provide a means for ACHA to contact the resident in an emergency. Failure to advise ACHA of an extended absence is grounds for termination of the lease.

B. Showing Units Prior to Leasing

1. Applicants may have an opportunity to see the unit being offered or a similar sample unit before they accept the offer and lease the apartment.
2. ACHA will not show nor move a family into a unit that does not meet basic habitability standards, including applicable ACHA occupancy standards.

C. Additions to and Deletions from the Resident Family and Household

1. Only persons listed on the most recent certification form and lease, or added in accordance with law or this policy, shall be permitted to occupy a dwelling unit **24 CFR § 966.4(a)(v)**.
2. Children will be added to families if they are born to or adopted by a family member or a Court awards custody to an adult family member listed on the lease.
3. Generally, ACHA will approve the addition of an adult family or household member only when that individual pass screening and does not overcrowd the family in the unit they currently

occupy.

4. Residents who permit unauthorized individuals to occupy their units are subject to lease termination and eviction.

D. Visitors

1. Overnight visitors are permitted in a dwelling unit so long as they have no previous history of behavior on ACHA premises that would be a lease violation.
2. Individuals who have been banned from a public housing property will not be permitted to visit public housing residents. In addition, they will be subject to arrest for trespassing. Tenants who permit visits by banned persons are subject to lease termination and eviction.
3. Residents must register all their overnight visitors with the property manager. The registration form permits ACHA to run a criminal history check on adult visitors who stay overnight, however ACHA will not run a criminal history check on a visitor unless ACHA has reason to believe the visitor actually lives in the ACHA unit or if ACHA receives complaints about the visitor's behavior from other residents or law enforcement personnel.
4. In ACHA properties a guest may visit overnight for a total of 14 days/nights in any twelve-month period. Guests may visit for more than 14 days/nights with written permission from the property manager.

V. Transfer Policy

A. General Transfer Policy

1. Transfers are made within and between properties without regard to race, color, sexual orientation, gender identity, national origin, sex, religion, or familial status. Residents can be transferred to accommodate a disability. Transfers will be made in accordance with ACHA's *Transfer Procedure*. **24 CFR § 100.5**
2. Residents will not be transferred to a dwelling unit of equal size except to alleviate hardship of the resident or other undesirable conditions as determined by the Chief Operating Officer or designee or as an incentive to high performing residents.
3. Residents will receive one offer of a transfer. Refusal of that offer without good cause will result in lease termination for mandatory transfers or the removal of the household from the transfer list for voluntary transfers. **24 CFR § 1.4(2)(ii)**
4. There is no notice requirement for emergency transfers. All other categories of transfers will be given the appropriate amount of notice required by the laws of the State of State.
5. When possible, ACHA will allow a public housing resident in good standing to choose the property to which to transfer for rehabilitation or redevelopment units so long as there are units available of the right size and right type for the resident being transferred. Residents who are subject to mandatory transfers do not have the right to wait until a suitable unit is available at the property they prefer, rather each resident will receive a choice of the units available that are the right size and type.
6. Residents cannot be transferred across housing programs. This includes transfers from public housing (including ACC units in tax credit properties) to multifamily housing properties or LIHTC market rate housing, but residents can be transferred within such properties.
7. Each LIHTC property is a separate entity with separate ownership. Residents of LIHTC properties who are subsidized by public housing funding may **ONLY transfer** within the property where they live. They can, however, be moved to another LIHTC property as an applicant coming through the waiting list. They can also be transferred to a regular public

housing property.

B. Types of Transfers

1. The order in which families are transferred shall be hierarchic by category set forth below.
 - a. Emergency Transfers are mandatory and are made when ACHA determines that unit or building conditions pose an immediate threat to resident life, health or safety or to resolve problems of a life-threatening nature that are not related to building or unit conditions such as a VAWA transfer or a witness protection transfer. **24 CFR § 966.4(h)**
 - 1) ACHA is not required to give prior notice of an Emergency Transfer.
 - 2) Emergency conditions that occur due to resident abuse or neglect will be grounds for emergency transfers; however, resident will be charged for the damages caused to the apartment²⁰. **24 CFR § 966.4(h)**
 - 3) Refusal to accept an emergency transfer is grounds for lease termination and eviction.
 - 4) Refusal to accept a VAWA transfer is NOT grounds for lease termination however the ACHA may not be held liable for any violence that occurs after a VAWA transfer is refused.
 - 5) Individuals requesting VAWA transfers will be referred to the Community-based Care Management Program for assistance with all their issues.
 - 6) Individuals requesting VAWA transfers will never be permitted to add the individual named as the perpetrator of violence to their units.
 - b. Reasonable Accommodation Transfers are voluntary transfers to move residents with disabilities to accessible units or units with features that accommodate their disabilities better than those in their current apartments.

This category also includes mandatory transfers of tenants without disabilities from accessible units when no one in their family needs the accessibility features, to regular units so that a family that needs the accessibility features can occupy the accessible unit. **24 CFR § 8.27(1)**

This transfer priority also covers transfers of individuals from independent living apartments to a property with enriched supportive services when such services are needed to preserve the tenancy of the individual with disabilities.
 - c. Administrative Transfers: These transfers shall take priority over new admissions. The three categories listed below are equal and transfers are made in order of the date of transfer request.
 - 1) Priority 1. Mandatory transfers to permit ACHA to modernize, demolish or sell properties.
 - 2) Priority 2: Deconcentration Transfers: Voluntary transfers offered to residents of properties with higher average tenant incomes to properties with lower average tenant incomes and voluntary transfers offered to residents of properties with lower average tenant incomes to properties with higher average tenant incomes. The goal of these transfer offers is to bring the average tenant income at every family public housing property to within 15% of the ACHA average for such properties.
 - 3) Priority 3: Mandatory transfers to move families out of units that are too large or too

²⁰ Resident may challenge any charges for damages by using the ACHA Grievance Procedure

small for the families. **24 CFR § 966.4(c)**

2. Whenever feasible, transfers will be made within a resident's area or other location of the resident's choice, but residents do not have the right to delay a transfer because a unit in the location they prefer is not available at the time they are required to transfer.

C. Priorities for Transfers

1. As described in the Tenant Selection and Assignment Chapter of this policy, transfers will be sorted into their appropriate categories by the Intake and Placement staff. Offers of apartments will be made in the following order:
 - a. Emergency transfers.
 - b. Reasonable accommodations for residents with disabilities
 - c. Administrative transfers in the order of transfer request:
 - 1) ACHA-initiated transfers to permit construction or revitalization
 - 2) Deconcentration transfers
 - 3) Over-housing or under-housed
 - 4) New Admissions from the waiting list.

D. Residents in Good Standing

1. In general, residents will be considered for transfers only if the head of household and other family members and guests under the resident's control:
 - a. Are current on rent without unpaid balance at any time in the past 12 months or current on a repayment agreement for the past 12 months.
 - b. Are current on utility payments to ACHA or to utility supplier or are current with any repayment agreement with the ACHA or utility supplier.
 - c. Are in compliance with the terms of the lease and any additional terms required to be added to that lease by Federal law. Violations of the lease must be documented by notices of lease violations or other evidence of serious or repeated violations of the material terms of the lease.
 - d. Meet reasonable housekeeping standards and have no housekeeping lease violations as documented by housekeeping inspection reports or work orders reflecting a pattern of damage caused by poor housekeeping; and
 - e. Have not destroyed, defaced, damaged or removed any part of an apartment or the development as documented by housekeeping inspection reports or work orders reflecting a pattern of damage or abuse.
2. Exceptions to the good record requirements may be made for emergency transfers, VAWA transfers or when it is to ACHA's advantage²¹ to make the transfer. The exception to the good record requirement will be made by the central transfer administrator taking into account the recommendation by the Manager.
3. Absent a determination of exception, the following policy applies to transfers:
 - a. If back rent is owed, the resident will not be transferred until a payment plan is established or, if prior payment plans have failed, back rent is paid in full.

²¹ e.g., a single person is living alone in a three-bedroom unit and does not want to move

- b. A resident with housekeeping standards violations will not be transferred until he/she passes a follow-up housekeeping inspection. In addition, such transferees will be required to maintain a good housekeeping record for at least the first 6 months following a transfer.

E. Cost of Transfers

1. ACHA will pay the cost of transfers it initiates and reasonable accommodation transfers but not those due to changes in family size (overcrowding and over housing) or change in income tier.
2. Transfers in connection with modernization or revitalization will include moving expenses including the cost of disconnecting and reconnecting utilities.
3. Transfers that are not mandatory will be subject to a reasonable Transfer Fee to help alleviate the cost to ACHA of making the transfer.

F. Transfers at Section 8 project-based and Low-Income Housing Tax Credit Properties

Not all the properties ACHA owns and manages are public housing properties. Some are multifamily Section 8 new construction developments and others are LIHTC properties. Because ACHA operates properties under multiple programs, public housing tenants are not able to transfer to or from these properties. They must, instead, be processed as applicants.

Current tenants of Section 8 project-based developments or tax credit properties may be transferred within the properties but not to other developments. These transfers will be handled by ACHA's Special Projects Coordinator,

VI. Annual Reexaminations of Income and Family Circumstances

A. Eligibility for Continued Occupancy

Residents who meet the following criteria will be eligible for continued occupancy:

1. Qualify as a family as defined in Section XIII of this policy.²²
2. Are in full compliance with the resident obligations and responsibilities as described in the dwelling lease as documented by a lack of lease violation notices in their files. **24 CFR § 966.4(f)**
3. Whose family members each have verified Social Security numbers. **24 CFR § 5.216**
4. Who meet HUD standards on citizenship or immigration status or are paying a pro-rated rent **24 CFR § 5.5**
5. Who are in compliance with the ACHA's Community service requirements, if applicable.²³
6. Who do not own a home that they could live in (as defined herein)
7. As permitted by the HOTMA rules, ACHA has chosen not to use the eligibility criterion of "owning Net Family Assets worth more than \$100,000" for any currently assisted families. Hence, there is NO limit on Net Family Assets for any public housing, project-based voucher, housing choice voucher or multifamily residents.

²² For purpose of continued occupancy, remaining family members qualify as a family so long as at least one of them is of legal age to execute a lease. Remaining family members can also include court recognized emancipated minors under age 18

²³ applicable to certain adults who are not exempted because they are elderly, disabled and unable to work, working, or participating in qualifying educational or job training programs

B. Remaining Family Members and Prior Debt

1. If the head of household dies or leaves the unit, continued occupancy by remaining family members is permitted only if:
 - a. The family reports the departure (or death) of the head of household within 10 days of the occurrence: and
 - b. The family includes a member who can pass screening and is either of legal age to execute a lease or is a Court-recognized emancipated minor; and
 - c. The new head signs a new lease within 10 calendar days of the departure/death of the former head.
2. Remaining family members aged 18 years or older will be held responsible for debts incurred by the former head or spouse.
3. ACHA will not hold remaining family members (other than the head or spouse) responsible for any portion of the debt incurred before the remaining member attained age 18.

C. Reexaminations

1. Regular reexaminations: ACHA shall, at least once every 12 months, re-examine the family composition and incomes of all resident families. **24 CFR § 960.257**
2. Determining annual income: Under the HOTMA regulation, ACHA will use the prior year's income, adjusted by any verified interim adjustments, as the following year's Annual Income.
3. Special Reexaminations: When it is not possible to estimate family income accurately, a temporary determination will be made with respect to income and a special reexamination will be scheduled every 120 days until a reasonably accurate estimate of income can be made. **24 CFR § 5.609(d)**
4. A special reexamination shall be conducted when there is a change in the head of household that requires a remaining family member to take on the responsibilities of a leaseholder. **24 CFR § 960.257**
5. Zero Income Families: Unless the family has income that is excluded for rent computation (e.g., the family receives state funding for the care of foster children), families reporting zero income will have their circumstances examined every 90 days until they have a stable income. As required by Federal regulations, monetary or non-monetary contributions from persons not residing in the dwelling unit for any purpose other than the payment or reimbursement of medical expenses shall be considered income. **24 CFR § 5.609**
6. If ACHA is terminating the lease of a resident when the resident is scheduled for reexamination, the reexamination will be completed but a new lease will not be executed:
 - a. If ACHA prevails in the lease termination action, a new lease will not be executed, and the resident will be evicted.
 - b. If the resident prevails in the lease termination action, a new lease will be executed.
7. Action Following Reexamination: If there is any change in rent, a Notice of Rent Adjustment will be issued. **24 CFR § 966.4(a)(3)**
 - a. If any change in the apartment size is required, the resident will be placed on a transfer list in accordance with the transfer criteria described above in this policy and moved to an appropriate apartment when one becomes available. **24 CFR § 966.4(c)(3)**
 - b. The Notice of rent adjustment will include the current rent, the new rent, the date when

the new rent takes effect, the reason for the rent adjustment, and the fact that the resident has the right to request a Grievance hearing if he/she disagrees with or does not understand the new rent.

8. Effective Date of Adjustments

- a. Residents will be notified in writing of any rent adjustment including the effective date of the adjustment.
- b. Rent decreases go into effect the first of the month following the report of a change. Income decreases reported or verified after the tenant accounting cut-off date will be effective the first of the second month with a credit retroactive to the first month.
- c. Rent increases (except those due to misrepresentation) require 30 days' notice and become effective the first day of the following month.
- d. Rent increases due to misrepresentation are retroactive to the first of the month following the event that was misrepresented or not reported.

D. Over-Income Tenants

If it is found either at an annual reexamination or at an interim adjustment that a family's income exceeds the "Over-Income Limit" (2.4 times the Very Low-Income Limit based on family size), the family will be notified as follows:

- That if their income continues to exceed the Over-Income Limit for the next 24 consecutive months, they will be required to move out of public housing within six months from that date.
- That if their income drops below the Over-Income limit at any time in the next 24 months, they should report for an Interim adjustment to rent, and they may stay in public housing.
- That they will be recertified 12 months after the first determination that they are Over Income, and again at 24 months after the initial Over-Income determination.
- That if they believe their income has been determined incorrectly, they may request a grievance hearing.

VII. Interim Rent Adjustments: Modified Fixed Rent System

A. Adjusting Rent between Regular Reexaminations

1. Residents are required to report all changes in family composition or status to the ACHA within 10 calendar days of the occurrence. Failure to report within the 10 calendar days may result in a retroactive rent increase, but not a retroactive credit or rent reduction. To qualify for rent reductions, residents must report income decreases promptly. Residents are also required to report interim increases in income if they have been granted interim rent reductions or have previously reported zero income.
2. Under the HOTMA regulation, ACHA is not required to perform interim rent adjustments if they believe that the difference in a family's annual income (either an increase or a decrease) will amount to a difference of less than 10 percent.
3. In addition, ACHA may decline to do interim adjustments in the last 3 months before a family's annual or biennial reexamination. If failing to perform an interim adjustment will make it impossible for a family to pay rent, ACHA may conduct the interim adjustment in the last 3 months before the reexamination.
4. PHA wishes to encourage families to improve their economic circumstances, so some changes in family income between reexaminations will not result in a rent change. PHA will

process interim changes in rent in accordance with the chart below

INCOME CHANGE	ACHA ACTION
(a) Decrease in income for any reason, <u>except</u> for decrease that lasts less than 30 days, is subject to Imputed Welfare Income rules ²⁴ , or will decrease annual income by less than 10 percent.	Process interim rent reduction if income decrease will last more than 30 days, is not subject to Imputed Income rules or is more than 10 percent of annual income. 24 CFR § 5.609
(b) Increase in verified family deductions	Process interim rent reduction if income decrease will last more than 30 days and reduces adjusted income by more than 10 percent. 24 CFR § 5.609
(c) Increase in income following PHA granting interim rent decrease.	Process interim rent increase for income increases after interim rent reductions.
(d) Increase in earned income from the employment of a current household member.	Defer rent increase until next regular reexam unless the family has had an interim rent reduction in the reexam period. 24 CFR§ 960.255
(e) Increase in unearned income (e.g., COLA adjustment for social security).	Defer rent increase to the next regular reexam unless the increase is more than 10 percent of annual income.
(f) Increase in income because a person with income (from any source) joins the household.	Conduct an Interim Redetermination of the family's income and raise the rent.
(g) Increase in income because Tenant misrepresented income or deductions.	Conduct an Interim Redetermination of the family's income and raise the rent retroactively to the date of the misrepresentation or terminate the lease.
(h) Increase in monetary or non-monetary income after Resident claims zero income	Process an interim rent increase.

3. ACHA will process an interim increase in rent only if
 - a. The resident's unearned income increases by more than 10 percent of annual income.
 - b. the resident has misrepresented or failed to report facts upon which rent is based, so the rent the Resident is paying is less than it should have²⁵; or
 - c. the resident's income increases after the resident was granted an interim decrease in rent; or
 - d. the resident reported zero income and has a verified increase in income (that may be a non-monetary contribution); or

²⁴ Decreases in welfare income resulting from welfare fraud or from cuts for failure to comply with economic self-sufficiency requirements are not eligible for rent reductions (**24 CFR § 5.615**).

²⁵ ACHA will apply any increase in rent retroactive to the month following the month in which the misrepresentation occurred.

- e. a person with income joins the household.
4. Complete verification of the circumstances applicable to rent adjustments must be documented and approved by the ACHA. **24 CFR § 960.259(c)**
5. ACHA will process interim decreases in rent as follows:
 - a. When a decrease in income is reported, and ACHA verifies that the decrease will last less than 30 days, or reduce annual income by less than 10 percent, an interim adjustment will not be processed.
 - b. Residents reporting decreases in income that are expected to last more than 30 days and reduce annual income by at least 10 percent will have an interim adjustment processed.
6. Residents granted a reduction in rent are required to report for special reexaminations at intervals determined by the Housing Manager. Reporting is required until income increases, or it is time for the next regularly scheduled reexamination, whichever occurs first.
7. If residents experience a decrease in income from public assistance because their grant is cut for one of the two following reasons, their rent will not be reduced:
 - a. Welfare department has reduced the grant because of welfare fraud; or
 - b. Welfare department has reduced the grant because the family failed to comply with economic self-sufficiency requirements.
8. If a resident challenges the welfare department's reduction of their grant, an interim reduction in rent will not be processed until the matter is settled by the welfare department.
9. If the welfare department upholds the grant reduction, the resident shall owe a retroactive rent on the interim rent reduction granted in "8" above.
10. If the welfare department overturns the grant reduction, no retroactive balance is owed. See *ACHA Procedure on Imputed Welfare Income*

B. Interim Changes in Family Composition

1. All changes in family composition must be reported within ten days of occurrence. Certain types of changes do not require ACHA advance approval, but they must be reported within ten days if occurrence, including:
 - a. Someone listed on the lease leaves the unit.
 - b. Birth, adoption or court-awarded custody of a child.
 - c. If any family member, including the sole member, is away from the unit for 90 consecutive days he/she will be considered permanently absent unless approved in writing by ACHA
 - d. If any member, including the sole member, is incarcerated for 90 or more consecutive days he/she will be considered permanently absent. ACHA may grant an exception for individuals who are absent due to pre-trial incarceration, for those sentenced to "alternative to incarceration programs, community supervision or house arrest".
 - e. Absence for Medical Reasons: If a family member leaves the household to enter a facility such as a hospital, nursing home or rehabilitation center, ACHA will seek advice from the member's qualified medical practitioner about the likelihood and timing of their return. If permanently confined to a nursing home; the family member will be considered permanently absent. If the medical practitioner states that the family member will return in less than 180 days, the family member will not be considered permanently absent if rent and other changes continue to be paid.

2. Additions of the following persons must be requested in writing and require written permission from ACHA **before** the persons may move into the apartment:
 - a. Adult family member (including a new spouse).
 - b. Foster child or children.
 - c. Foster adult.
 - d. Live-in Aide.
 - e. Child in kinship care.
3. All adults who are proposed for addition to a family or household must be screened by the occupancy division and, with the exception of Live-in Aides, must not overcrowd the unit.
4. When the change in family size would require the family to transfer to a smaller or larger unit, the family will be placed on the transfer list as soon as the change in family circumstances is verified. Transfers will be processed in accordance with this policy.

C. Effective Date of Rent Adjustments

Residents will be notified in writing of any rent adjustment including the effective date of the adjustment.

1. Rent decreases go into effect the first of the month following the report of a change. Income decreases reported or verified after the tenant accounting cut-off date will be effective the first of the second month with a credit retroactive to the first month.
2. Rent increases (except those due to misrepresentation) require 30 days' notice and become effective the first of the second month after the circumstances leading to the increase.

D. Earned Income Disallowances: Public Housing Properties/ACC Residents ONLY

1. Beginning 1/1/24 the Earned Income Disallowance benefit has been discontinued as required by federal law.

VIII. Lease Termination Policies

A. General Policy: Lease Termination

Either ACHA or the Resident may terminate tenancy at any time in accordance with all applicable Federal, State and local laws and the lease terms **24 CFR § 966.4(I)**.

B. Tenant Repayment Agreements to Avoid Termination

Whenever a tenant family owes money to ACHA It must be repaid. If the family cannot pay the debt in 30 days, ACHA may offer them one repayment agreement. If a tenant has a history of non-payment, including failure to honor past repayment agreements, ACHA has the right to require them to pay any back balances in full, with no offer of a repayment agreement.

If the family is already subject to a repayment agreement, they will NOT be offered a subsequent agreement until the first one is honored in its entirety.

The repayment agreement is a formal written document signed by the tenant and ACHA in which the tenant acknowledges a debt of a specific amount and agrees to repay the amount due at specific time periods. A repayment agreement requires a down payment of at least the delinquent tenant's Total Tenant Payment (rent plus any utility allowance). No repayment agreements will be executed without a down payment.

It is ACHA's policy that debts over \$2000 must be repaid within 48 months, Debts between \$1000 and \$1999 must be repaid within 24 months and amounts under \$1000 must be repaid within 12 months.

The repayment amount should be affordable and will typically not exceed 10 percent of the family's monthly adjusted income in most cases. This means the tenant will be paying a total of 40 percent of their adjusted income monthly – their normal tenant rent plus the repayment amount. However, the minimum monthly repayment may not be less than \$25 per month.

C. Late or Missed Payments

If a regular payment or a payment on a repayment agreement is not received by the end of the business day on the date due, and ACHA has not agreed to the late or missing payment, ACHA will send the family a delinquency notice, giving them 10 business days to make the late payment. If the late payment is not received by the due date in the delinquency notice, it will be considered a breach of the agreement and ACHA will terminate the tenancy in accordance with Pennsylvania law.

D. Deceased Residents

When a Resident who is the sole occupant of an ACHA unit dies, the lease will terminate automatically. When this occurs, ACHA will attempt to contact the designated emergency contact person or other family members to arrange for the disposition of the deceased tenant's belongings.

If ACHA is unable to reach the deceased Resident's family members, and the resident has left no instructions about the disposition of property, ACHA shall store the resident's property for 30 days, after which it will be disposed of.

E. Abandoned Units

If ACHA discovers that a unit is apparently abandoned by a resident, ACHA will promptly change the locks and leave a notice on the door that the tenant may obtain entry by contacting the property manager within 10 days.

If the resident fails to contact the property manager within 10 days, ACHA will move all remaining items out of the unit and store them for 30 days, after which they may be disposed of by any method chosen by ACHA.

F. Resident-initiated Lease Terminations

Resident may terminate tenancy by providing 30 days' written notice to ACHA or property manager. An active member of the US armed forces is not required to provide 30 days' notice if he/she is reassigned to another location.

G. ACHA-initiated Lease Terminations

1. ACHA or its manager shall terminate the lease only for serious or repeated violations of the material provisions of the lease or other good cause. **24 CFR § 966.4(I)**
2. Manager shall give written notice of proposed lease termination in the form required by the lease and applicable regulations, in English or Spanish, or, in the case of a resident with disability, in the format requested by the resident **24 CFR § 966.4(I)**
3. In accordance with the lease and grievance procedure, ACHA shall notify Resident in the lease termination notice of Resident's grievance rights if the lease termination is subject to the Grievance Procedure.

4. ACHA is sensitive to the possibility that certain actions of a resident may be related to or the result of domestic violence, dating violence or stalking (see Definitions in Section XIII) and will offer a resident in this situation an opportunity to certify to such facts.

The Violence Against Women Act protects individuals who are the victims of such crimes and misdemeanors from lease termination and eviction for criminal activity related to their victimization. Victims have 14 days to certify (on HUD form 50066) or provide other documentation of their status.

5. If a non-exempt member of a resident family fails to comply with the 8 hour per month Community Service requirement, the entire family may be subject to lease termination. In such cases the resident and the Authority may enter into a contract to make up the delinquent service hours within the 12 months following the period for which hours are delinquent. If, at the end of the second year, the individual fails to perform both the current and delinquent hours agreed to, the Authority will terminate tenancy.
6. The community service requirement does not apply to properties that are not public housing properties such as project-based Section 8 or low-income housing tax credit units that do not receive HUD public housing operating subsidy.

H. Notification Requirements

1. The Authority's written Notice of Lease Termination will state the reason for the proposed termination, the section of the lease violated, the details of the reason for termination, the date the termination will take place and will indicate the tenant's rights under state law and this policy. If the tenant is entitled to use the public housing grievance procedure, the Notice of Lease Termination will state the date by which a grievance hearing may be requested.
2. Because HUD has issued a "due process determination" for the Commonwealth of Pennsylvania, tenants whose leases are being terminated for drug-related or violent criminal activity or for other actions that threaten the life, health or safety of other residents or ACHA staff will NOT be offered a grievance hearing but may contest ACHA's legal action in Magisterial Court.
3. The Notice of Termination may run concurrent with any Notice to Vacate, or other notification required by state law.
4. Notices of lease termination may be personally served on a member of the tenant household who is at least 15 years old, may be taped to the inside of the front door of the unit, or may be mailed by first class mail.
5. When the Authority terminates the lease, written notice will be provided as follows:
 - a. 14 days prior to termination for failure to pay rent.
 - b. 3 days prior to termination, consistent with the exigencies of the situation in cases of violent or drug-related criminal activity that threatens other residents, staff, or neighbors of the property.
 - c. At least 30 days prior to termination in all other cases.

I. Eviction Actions

1. ACHA may evict a resident only by bringing a Court action.
2. The Constable's office or another legally authorized department is the only entity authorized to execute an eviction.

3. If ACHA files an eviction action against a resident, the resident will be liable for Court costs, including attorney's fees, unless the resident prevails in the action.
4. ACHA is not required to prove that the resident knew or should have known that a family member, household member, guest, or other person under the resident's control was engaged in the action that violated the lease. The resident must prove this defense by the preponderance of the evidence.
5. In deciding whether to evict for criminal activity ACHA may consider all the circumstances of the case, including the seriousness of the offense, the extent of participation by family members and the effect that the eviction would have on family members not involved in the proscribed activity.
6. In appropriate cases of criminal activity by a family member other than the head or spouse, ACHA may permit continued occupancy by remaining family members and may impose a condition that the family members who engaged in the proscribed activity will neither reside in nor visit the dwelling unit or the property.
7. ACHA may require a resident who has engaged in the illegal use of drugs to present evidence of successful completion of a treatment program as a condition to be allowed to visit and/or reside in the dwelling unit.
8. ACHA may require that the remaining family members live in strict compliance with the lease and that the family be placed on lease probation for an appropriate period of time.
9. Once an eviction occurs, the Authority shall notify the Post Office that mail should no longer be delivered to the tenant at the dwelling unit.
10. When a member of a tenant family commits domestic violence against another member of the tenant family the ACHA may bifurcate the lease and evict only the person committing the violence, permitting the remainder of the family to stay in the unit in accordance with the Violence Against Women Act.

J. Record keeping Requirements

1. A written record of every termination and/or eviction shall be maintained by ACHA, and shall contain the following information:
 - a. Name of resident, resident's race and ethnicity, number and identification of apartment occupied.
 - b. Date of the Notice of Lease Termination and any other state or local notices required, which may be on the same form and run concurrently.

 - f. Date and method of notifying resident; and
 - g. Summaries of any conferences held with resident including dates, names of conference participants and conclusions.

- h. Copy of the served Termination Notice.

Section 8 Project-based Properties, Multifamily Properties, Low Income Housing Tax Credit Units not receiving HUD Operating Subsidy

A. General Policy: Lease Termination

Either ACHA or the Resident may terminate tenancy at any time in accordance with all applicable Federal, State and local laws and the lease terms.

B. Resident-initiated Lease Terminations

Resident may terminate tenancy by providing 30 days' written notice to ACHA or property manager in accordance with *ACHA Procedure on Lease Terminations*.

C. ACHA-initiated Lease Terminations

ACHA or its manager shall terminate the lease only for

1. substantial lease violations or
2. repeated violations of the lease that disrupt the livability of the project, adversely affect the health, safety or right to peaceful enjoyment of the leased premises of any tenant, interfere with the management of the project, or have an adverse financial effect upon the project, or
3. failure to carry out obligations under the State of State Property Code or
4. other good cause (only at the expiration of the lease term).
5. Manager shall give written notice of proposed lease termination in the form required by the lease and applicable regulations in English, or Spanish, or, in the case of a resident with disability, in the format requested by the resident
6. ACHA is sensitive to the possibility that certain actions of a resident may be related to or the result of domestic violence, dating violence, sexual assault or stalking (see Definitions in Section XIII) and will offer a resident in this situation an opportunity to certify to such facts. The Violence Against Women Act protects individuals who are the victims of such crimes and misdemeanors from lease termination and eviction for criminal activity related to their victimization. Victims have 14 days to certify (on the applicable HUD form) or provide other documentation of their status.

D. Notification Requirements

The Authority's written Notice of Lease Termination will state

1. The date the lease will be terminated
2. The grounds for termination with enough detail for the tenant to prepare a defense. If the grounds are non-payment of rent, the notice must state the amount of balance due and the date of that computation.
3. That if the tenant remains in the unit beyond the date specified for termination that the Authority may enforce the termination only by bringing judicial action, at which time the tenant may present a defense.
4. That the tenant has 10 calendar days within which to discuss the proposed termination of tenancy with the manager. The 10 calendar days will start on the earlier of the date the notice

was hand delivered or the day after the date the notice was mailed

6. Failure of the tenant to object to the termination notice does not constitute a waiver of the tenant's right to contest the Authority's actions in any court proceeding.
7. Termination notices for "other good cause" must provide that the proposed termination will be effective at the later of the end of the lease term or 30 days from the date of the notice.
8. The Notice to Vacate may run concurrent with any notice required by State law.
9. Notices of lease termination may be personally served on a member of the tenant household who is at least 15 years old, taped to the inside of the unit's front door, or may be mailed by first class mail.
10. When the Authority terminates the lease, written notice will be provided as follows:
 - a. 10 days prior to termination for failure to pay rent.
 - b. 10 days prior to termination, consistent with the exigencies of the situation in cases of violent or drug related criminal activity.
 - c. At least 30 days prior to termination in all other cases.

E. Eviction Actions

1. ACHA may evict a resident only by bringing a Court action.
2. The Constable's office or another legally authorized department is the only entity authorized to execute an eviction.
3. If ACHA files an eviction action against a resident, the resident will be liable for Court costs, excluding attorney's fees, unless the resident prevails in the action.
4. ACHA is not required to prove that the resident knew or should have known that a family member, household member, guest, or other person under the resident's control was engaged in the action that violated the lease.
5. The resident may raise as a defense that the resident did not know nor should have known about the action that violated the lease.
6. The resident must prove this defense by the preponderance of the evidence.
7. In deciding whether to evict for criminal activity ACHA may consider all the circumstances of the case, including the seriousness of the offense, the extent of participation by family members and the effect that the eviction would have on family members not involved in the proscribed activity.
8. In appropriate cases, ACHA may permit continued occupancy by remaining family members and may impose a condition that the family members who engaged in the proscribed activity will neither reside in nor visit the dwelling unit.
9. ACHA may require a resident who has engaged in the illegal use of drugs to present evidence of successful completion of a treatment program as a condition to be allowed to visit and/or reside in the dwelling unit.
10. ACHA may require that the remaining family members live in strict compliance with the lease and that the family be placed on probation for an appropriate period of time.
11. Once an eviction occurs, the Authority shall notify the Post Office that mail should no longer be delivered to the tenant at the dwelling unit.

F. Record Keeping Requirements

A written record of every termination and/or eviction shall be maintained by ACHA, and shall contain the following information:

- a. Name of resident, race and ethnicity, number and identification of apartment occupied.
- b. Date of the Notice of Lease Termination and any other state or local notices required, which may be on the same form and run concurrently.
- c. For lease terminations for criminal activity, a note in the file with the date, case number and source of information relating to the Notice of Arrest or Notice of the Incident
- d. For "cause" lease terminations, copies of any occurrence reports, lease violation notices, or other appropriate documentation of the underlying facts surrounding the incident that is the subject of the eviction.
- e. Specific reason(s) for the Notice(s), with section of the lease violated, and other facts pertinent to the issuing of the Notice(s) described in detail.

- i. Copy of any agreed settlement orders.

IX. Utilities

A. Resident-Paid Utilities 24 CFR § 965 & 966.4(b)(2)

The following requirements apply **only** to residents living in developments with resident-paid utilities:

1. In units with Resident-paid utilities, paying the utility bill in a timely manner is an obligation under the lease and failure to pay in a timely manner is a serious violation of the lease, subject to lease termination. **24 CFR § 960.253(c)(3) and 966.4(b)**
2. If a resident or applicant is unable to get utilities connected in his/her own name because of bad credit or a previous balance owed to the utility company at a prior address, the resident or applicant will not be permitted to move into a unit with resident-paid utilities. Depending upon the size and type of unit an applicant needs, the inability of an applicant to get utilities connected may cause the application to be rejected. **24 CFR § 960.203**
3. When a resident makes application for utility service in his/her own name, he or she is required to sign a third-party notification agreement so that ACHA will be notified if the resident fails to pay the utility bill.
4. Each resident in a unit with Resident-paid utilities will receive a monthly Utility Allowance that reflects a reasonable price of utilities for the specific size and type of apartment occupied. **24 CFR § 5.609**
5. Residents who pay their utility bills directly and are paying an income-based rent have the amount of rent owed to ACHA reduced by the amount of the Utility Allowance. In other words, the resident's Total Tenant Payment, less the Utility Allowance equals the Tenant Rent owed to ACHA.

6. Residents paying Flat Rent do not qualify for a Utility Allowance. Rather the fact that they are paying utilities is taken into account by ACHA in setting the Flat Rent. In other words, Flat rents are lower in properties with resident-paid utilities than in all-bills-paid properties.
7. When a resident's Total Tenant Payment is less than the utility allowance, ACHA will pay a utility reimbursement, equal to the difference between one month's total tenant payment and the utility allowance to either the tenant or the utility supplier. **24 CFR § 5.632**. When the value of the utility reimbursement is less than \$15 per month, reimbursements will be paid quarterly rather than monthly.
8. Residents on whose behalf Utility Reimbursements are paid to the utility company are required to pay the utility supplier for any use in excess of that covered by the Utility Allowance.
9. If the resident's actual utility bill is less than the Utility Allowance, the resident receives the saving.
10. Residents who have elected to pay a Flat Rent do not receive a utility allowance. The value of the utilities paid by the resident have already been deducted from the Flat Rent.

B. Excess Utility Charges

1. In buildings where utilities are not individually metered (all-bills-paid properties), ACHA may make excess utility charges for the use of certain resident-supplied appliances in excess of those supplied by ACHA. Examples include:
 - a. Second refrigerator.
 - b. Freezer
 - c. Air conditioner (this applies only in properties that do not have central air conditioning and windows that do not open)

C. Tenant-installed window air conditioners

1. In properties that do not have central air conditioning the tenant may install window air conditioners, subject to these requirements:
 - a. The installation must be inspected and approved by ACHA staff.
 - b. The air conditioner may not be installed earlier than May 1st and must be removed no later than September 30th.

D. Reasonable Accommodations 24 CFR § 8.4 and 966.7

1. Residents with disabilities may be entitled to higher than normal utility allowances or may not be charged for the use of certain resident-supplied appliances if there is a verified need for special equipment because of the disability.

X. Flat Rents (Public Housing only)

A. Flat Rents

1. Flat rents shall be determined in accordance with HUD regulations. HUD requires that all Flat Rents shall equal no less than 80 percent of the applicable Fair Market Rent.
2. Flat rents vary by apartment size and type and by development location.
3. Flat rents payers do not receive a utility allowance. An apartment with resident-paid utilities will have a lower flat rent than the same apartment with project-paid utilities.

B. Annual Update of Flat Rents

1. ACHA shall review the Flat Rent structure annually and adjust the rents as needed.
2. Flat rents may either be increased or decreased based on HUD's published Fair Market Rents.
3. When a resident chooses Flat rent, his/her rent shall be adjusted only at the next annual reexamination rather than when ACHA may revise the Flat rents.

C. Choice of Rent

1. Once each year, beginning with admission and continuing at each annual reexamination, each family is offered a choice between paying the income-based rent and the Flat rent applicable to the unit they will be occupying.
2. Because of the way the Federal law is written, choice of Flat rent may only be offered at admission and annual reexamination.

D. Recertification of Families on Flat Rents

Families paying flat rents are required to recertify income only every three years, rather than annually, although they are still required to participate in an Annual Reexamination to ensure that apartment size is still appropriate and Community Service requirements (if applicable) are met. **24 CFR § 960.257 (a)(2)**

At the annual reexamination of Flat rent families, it is not required that ACHA re-verify income in the second and third year of the Flat rent period, although, if the HUD Fair Market Rents have increased, Flat rents will also increase in the coming certification year so that they continue to represent no less than 80 percent of the Fair Market Rent.

E. Hardship Reduction in Flat Rents

1. If a resident who opted for Flat Rent experiences a decrease in income, Management will perform an Interim Reexamination of Income.
2. If the reduction in income will last more than 30 days, Management will reduce rent to the income-based rent based on verified income information. **24 CFR § 960.253 (f)**
3. If the Resident's income rises again before the annual reexamination, the resident must pay the income-based rent until the next annual reexamination.

D. Anticipating Annual Income **24 CFR § 5.609(d)**

Generally, Annual Income for an annual reexamination will be the most recently certified income or adjusted income from the previous year. If it is not feasible to anticipate income for a 12-month period, the Authority may use the annualized income anticipated for a shorter period, subject to an Interim Adjustment at the end of the shorter period. (This method would be used for school bus drivers or classroom aides who are only paid for 9 months, or for tenants receiving unemployment compensation.)

E. Adjusted Income **24 CFR § 5.611**

Adjusted income means annual income as determined above of the members of the family residing or intending to reside in the dwelling unit, after making the following deductions:

All Families Eligible (if verified):

1. **Child Care Expenses** — A deduction of amounts anticipated to be paid by the family for the care of children under 13 years of age for the period for which Annual Income is computed, BUT ONLY when such care is necessary to enable a family member to be gainfully employed, to seek employment or to further his/her education. Amounts deducted must be unreimbursed expenses and shall not exceed: (a) the amount of income earned by the family member or members released to work; or (b) an amount determined to be reasonable by PHA when the expense is incurred to permit education or to seek employment.
2. **Dependent Deduction** — An exemption of \$480 for each member of the family residing in the household (other than the head of household, or spouse, Live-in Aide, foster adult or foster child) who is under eighteen years of age or who is eighteen years of age or older and disabled, or a full-time student.
3. **Work-related Disability Expenses** — a deduction of unreimbursed amounts paid for attendant care or auxiliary apparatus expenses for family members with disabilities where such expenses are necessary to permit a family member(s), including the disabled member, to be employed. In no event may the amount of the deduction exceed the employment income earned by the family member(s) freed to work.

Equipment and auxiliary apparatus may include but are not limited to wheelchairs, lifts, reading devices for the visually impaired, and equipment added to cars and vans to permit their use by the disabled family member. Also included would be the annualized cost differential between a car and the cost of a van required by the family member with disabilities.

- a. For non-elderly families and elderly or disabled families without medical expenses: the amount of the deduction equals the cost of all unreimbursed expenses for work-related disability expense less three percent of Annual Income, provided the amount so calculated does not exceed the employment income earned.
- b. For elderly or disabled families with medical expenses: the amount of the deduction equals

the cost of all unreimbursed expenses for work-related disability expense less three percent of Annual Income (provided the amount so calculated does not exceed the employment income earned) PLUS medical expenses as defined below.

Only elderly and disabled families eligible, (when verified):

4. Medical Expense Deduction — A deduction of unreimbursed Medical Expenses, including insurance premiums, anticipated for the period for which Annual Income is computed.

Medical expenses include but are not limited to services of physicians and other health care professionals, services of health care facilities, health insurance premiums (including the cost of Medicare), prescription and non-prescription medicines, transportation to and from treatment, dental expenses, eyeglasses, hearing aids and batteries, attendant care (unrelated to employment of family members), and payments on accumulated medical bills. To be considered by PHA for the purpose of determining a deduction from income, the expenses claimed must be verifiable.

- a. For elderly or disabled families without work-related disability expenses: The amount of the deduction shall equal total medical expenses less three percent of annual income.
 - b. For elderly or disabled families with both work-related disability expenses and medical expenses: the amount of the deduction is calculated as described in paragraph 3 (b) above.
5. Elderly/Disabled Household Exemption — An exemption of \$400 per household. See Definitions in the next section.

When HUD issues the appropriate regulations, the definition of Adjusted Income will be revised to the following:

1. \$480 for each dependent, which amount will be adjusted by HUD annually in accordance with the Consumer Price Index, rounded to the next lowest multiple of \$25.
2. \$525 for any elderly family or disabled family, which amount will be adjusted annually in accordance with the Consumer Price Index, rounded to the next lowest multiple of \$25.
3. The sum of the following, to the extent the sum exceeds ten percent of annual income:
 - a. Unreimbursed health and medical care expenses of any elderly family or disabled family; and
 - b. Unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with a disability, to the extent necessary to enable any member of the family (including the members who is a person with a disability) to be employed. This deduction may not exceed the combined earned income received by adult family members who are able to work because of such attendant care or auxiliary apparatus; and
4. Any reasonable childcare expenses necessary to enable a member of the family to be employed or to further his or her education.

 - c) that exceed 7.5 percent of annual income.
 - 3) At the third annual recertification (24 months after the recertification in b.1) above) the family must receive a deduction totaling the sum of
 - a) unreimbursed expenses for health and medical care, plus
 - b) unreimbursed care and apparatus expenses for a disabled family member that permit a family member to work
 - c) that exceed 10 percent of annual income.

ACHA has determined that this form of relief is the one that will be offered to families with health and medical or disability-related expenses that exceed 5 percent of their annual income.
- a. Eligibility for relief: To receive hardship relief under this paragraph, a family must demonstrate that the family's applicable health and medical care expenses or reasonable attendant care and auxiliary apparatus expenses increased, or the family's financial hardship is a result of a change of circumstances (as defined by the PHA) that would not otherwise trigger an interim reexamination.
 - b. Relief under this paragraph is available regardless of whether
 - 1) the family previously received deductions under paragraph 5.b above,
 - 2) is currently receiving relief under paragraph 5.b above, or
 - 3) previously received relief under paragraph 5.b above.

However, PHAs may, at their discretion extend the relief for one or more additional 90-day periods while the family's hardship continues.
 - 3) ACHA's policy is to continue this relief until the circumstances that made the family eligible for the relief are no longer applicable.

F. Computing Income-based Rent and Choice of Rent in Public Housing **24 CFR § 5.628**

1. Total Tenant Payment (TTP)

- a. The first step in computing income-based rent is to determine each family's Total Tenant Payment or TTP.
- b. Then, if the family is occupying an apartment that has tenant-paid utilities, the Utility Allowance is subtracted from the Total Tenant Payment.
- c. The result of this computation, if a positive number, is the Tenant Rent.
- d. If the Total Tenant Payment minus the Utility Allowance is a negative number, the result is the utility reimbursement, which is paid directly to the tenant or the utility company by the ACHA.

2. Total Tenant Payment (income-based rent) is the higher of:

- a. 30% of adjusted monthly income.
or
- b. 10% of monthly income.
but never less than the
- c. Minimum Rent of \$50.
and not more than the
- d. Flat Rent, if chosen by the family

3. Tenant rent

- a. Tenant rent is computed by subtracting the utility allowance for tenant supplied utilities (if applicable) from the Total Tenant Payment.
- b. In developments where the ACHA pays all utility bills directly to the utility supplier, Tenant Rent equals Total Tenant Payment. **24 CFR § 5.634**

4. Minimum Rent

- a. The public housing Minimum Rent shall be \$50 per month.
- b. The multifamily housing Minimum rent shall be \$50 per month

5. Minimum rent hardship exemption

A hardship exemption is not automatic. It shall be granted to residents who can document

that they are unable to pay the minimum rent because of a long-term hardship (over 90 days). Examples of situations under which residents would qualify for the hardship exemption to the minimum rent are limited to the following: **24 CFR § 5.630**

- a. The family has lost eligibility for or is applying for an eligibility determination for a Federal, State or local assistance program.
- b. The family would be evicted as result of the imposition of the minimum rent requirements.
- c. The income of the family has decreased because of changed circumstances, including loss of employment.
- d. A death in the family has occurred.

A family must apply for a hardship exemption and must produce written verification of the reason(s) that they are unable to pay the minimum rent.

6. Being exempted from paying minimum rent does not mean the family automatically pays nothing. Instead, the family is required to pay the greater of 30% of Adjusted Monthly Income or 10 percent of monthly income.
7. Zero Rent tenants

The only situation in which a tenant will qualify for a zero Total Tenant Payment is when the tenant has no income that can be counted under the definitions of Annual Income in this policy. ACHA reserves the right to require families claiming zero income to document how they pay the costs of food, clothing, transportation, medical costs and other essential expenses. ACHA will not simply accept statements that families have no income.

8. Choice of Rent (public housing only)

At initial certification and at each subsequent annual reexamination the resident shall be offered a choice of paying either the income-based rent or the Flat Rent applicable to the apartment they will be occupying.

Section 504 definitions of Individual with Handicaps and Qualified Individual with disabilities are not the definitions used to determine program eligibility. Instead, use the definition of "Person with Disabilities" as defined later in this section. Note: The Section 504, Fair Housing, and Americans with Disabilities Act (ADA) definitions are similar. ADA uses the term "individual with a disability". Individual with disabilities means any person who has:

- d. A physical or mental impairment that:
 - substantially limits one or more major life activities.
 - has a record of such an impairment; or
 - is regarded as having such an impairment.
- e. For purposes of housing programs, the term does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from participating in the program or activity in question, or whose participation, by reason of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others.
- f. Definitional elements:

"Physical or mental impairment" means any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; respiratory, including speech

organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or

Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term "physical or mental impairment" includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

"Major life activities" means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.

"Has a record of such an impairment" means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

"Is regarded as having an impairment" means has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by a recipient as constituting such a limitation; or

Has a physical or mental impairment that substantially limits one or more major life activities only as result of the attitudes of others toward such impairment; or

Has none of the impairments defined in this section but is treated by a recipient as having such an impairment.

- g. The 504 definitions of disability do not include homosexuality, bisexuality, or transvestitism because these are not disabilities. These characteristics do not disqualify an otherwise disabled applicant/resident from being covered. The 504 definitions of individual with disabilities is a civil rights definition. To be considered for admission to public housing designated for people with disabilities or to receive a disability-related income deduction a person must meet the program definition of "Person with Disabilities" found in this section.

55. Kinship care - an arrangement in which a relative or non-relative becomes the primary caregiver for a child or children but is not the biological parent of the child or children. The primary caregiver need not have legal custody of such child or children to be a kinship caregiver under this definition. (Definition provided by the Kinship Care Project, National Association for Public Interest Law) The primary caregiver must be able to document Kinship care. This is usually accomplished through school or medical records.

56. In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives consideration not measurable in dollar terms. Negative equity in real property or other investments does not prohibit an owner from selling the property or other investments, so negative equity alone would not justify excluding the property or other investments from family assets.

Excluded from the calculation of net family assets are:

- The value of necessary items of personal property
- The combined value of all non-necessary items of personal property if the combined total value does not exceed \$50,000 (which will be adjusted by HUD in accordance with the Consumer Price Index)

 - b. For example, a chronically mentally ill person whose particular condition poses a significant risk of substantial interference with the safety or enjoyment of others or with his or her own health or safety in the absence of necessary supportive services may be "qualified" for occupancy in a project where such supportive services are provided by the ACHA as a part of the assisted program. It is adequate to include reasonable consumption for major equipment such as heat, water heating and appliances, but does not include air conditioning in family developments. The amount of the utility allowance is subtracted from each resident's Total Tenant Payment to determine Tenant Rent.

89. Utility Reimbursement – At properties with tenant-paid utilities, amounts paid to families or utility providers when the families' Total Tenant Payment is less than the Utility Allowance for tenant-paid utilities.

XIV. PUBLIC HOUSING COMMUNITY SERVICE POLICY

A. Background

1. As all staff of ACHA know, the Community Service requirement is only applicable to residents of public housing properties or residents living in ACC subsidized units at mixed finance properties. No one living in a multifamily property, or a project-based voucher property or using a tenant-based voucher in a market rate unit at a mixed finance property is subject to the Community Service requirement.
2. ACHA is working to enable its residents to become fully economically independent. In support of this goal and HUD requirements, ACHA requires that all non-exempt members of resident families meet monthly targets for neighborhood service or economic self-sufficiency, as monitored monthly.
3. The Community Service requirement is 8 hours per month for each non-exempt adult (not for each family with a non-exempt adult).
4. Compliance with Community Service activities is monitored by monthly contact between the non-exempt resident and the Resident Service Coordinator. ACHA opts not to accept tenant certifications of compliance with the Community Service requirement. It will continue to verify compliance.

2. The 8 hours per month may be either volunteer work or self-sufficiency program activity or a combination of the two.

4. Activities must be performed within the neighborhood and not outside the jurisdictional area of the ACHA. The exception to this rule would be adults who are enrolled in full-time higher education or vocational training. Their hours of education would count toward the requirement.
5. Family obligations

 - 1) provide documentation that they are exempt from Community Service requirement if they qualify for an exemption, and

1. If a non-exempt adult fails to report to the Manager or fails to complete the required eight hours of neighborhood service or self-sufficiency activity, the non-exempt adult shall be considered to be in noncompliance.
